

## Film Permit Application Instructions

All production companies filming in the District are required to complete this Application Form in its entirety. The information obtained from these forms is used solely to facilitate the production process and/or used by OCTFME and the District of Columbia to determine the aggregate economic impact of film and television production in the District.

### **Permit Definition and Requirements**

**Film Only Permit Requests:** Applications must be received at least three (3) business days prior to the first day of work when requesting filming only.

**Film and Use of Public Space Parking Requests:** Applications must be received at least five (5) business days prior to the first day of filming when film production related parking is requested.

For the purposes of calculating the 3 and 5 business day rule, applications submitted after 12:00 pm (noon), over the weekend, or on a holiday will be considered to have been "received" the morning of the next/following business day.

The Permit Application must be thoroughly completed and all required fields must be filled in. If a required field does not apply to your project, indicate this by entering N/A (not applicable) or "0" in the appropriate space. Please print or type legibly. Failure to provide all of the required information may result in a delay in processing your application.

**Confirmation of Receipt:** If you do not receive a confirmation within one (1) business day of the time your request was submitted, please call 202-727-6608 or email [film@dc.gov](mailto:film@dc.gov) to verify that your application was received.

### **Permit Jurisdiction**

The permit we issue to your production provides access to public locations and location parking for essential production vehicles within DC public space. When your project is shooting an exterior location and requires traffic control, re-routing, or a scene with weapons or uniformed police, you must have the Special Operations Division of the Metropolitan Police Department on location.

1. When filming at city facilities, i.e., City Hall, Municipal Buildings, Parks, Harbor Areas, etc. you must include prep and strike dates as well as times in the summary of scenes field provided for that location. Failure to provide this information will necessitate your request being returned for correction.
2. When requesting the use of weapons, gunfire or special effects, thoroughly describe the scene, specific location(s), and duration in the summary of scenes field provided for that location in addition to completing the specific weapon/gunfire/ special effects field. Failure to provide this information may delay the process.

### **Film Permit Fees**

Payment for all applicable fees must be received prior to issuing a film permit. Once your application has been processed and approved, you will receive an invoice and payment instructions. The following fee schedule is effective March 1, 2010

Fee	First day	Each additional day	Per Project Cap
Application Processing Fee	\$30	-	\$30
Film Permit (less than 10 cast and crew)	\$150	\$50	\$500
Film Permit (10 – 39 cast and crew)	\$300	\$100	\$1, 500
Film Permit (40 – 69 cast and crew)	\$450	\$150	\$3, 000
Film Permit (more than 70 cast and crew)	\$600	\$200	no cap
Still Photography	\$150	-	\$150
Student Film Permit	\$No Fee	-	-

The fee covers for the film/parking permit only and does not include any other permits that may be required by other District agencies.

### **Insurance Requirements**

All Productions regardless of size (except Student Projects) are required to submit an original, signed Certificate of Insurance in an amount of \$1,000,000 minimum per instance of claim for general liability, listing the "Government of the District of Columbia" as additional insured before a permit can be issued.

Student Projects must provide an original signed letter from their Instructor, Department Head or Dean of College on school letterhead stating the student's name(s), title of the project, purpose of the project and/or any other details germane to the project. In the case of Student Projects this official school letter will be accepted in lieu of the Certificate of Insurance.

Please email the completed application form to: [film@dc.gov](mailto:film@dc.gov)

# Office of Cable Television, Film, Music and Entertainment

1899 Ninth Street, NE | Washington DC 20018
