**OCTFME RECOGNIZES
METROBAR
AS THE FEBRUARY 2025 LOCATION OF THE MONTH**

Washington, D.C. — The Office of Cable Television, Film, Music, and Entertainment (OCTFME) is proud to recognize metrobar as the February 2025 Location of the Month. This award-winning venue—named “2024 Best Bar” by Washington City Paper and a finalist for “Best Bar” at the 2023 RAMMY Awards—is a visually compelling, versatile indoor/outdoor location, perfect for film, television, media production, and still photography.

Spanning 11,000 square feet, metrobar features a spacious open layout centered around a uniquely redesigned Metro railcar, offering a vibrant and authentic D.C. aesthetic. Since opening in 2021, metrobar has fostered community engagement through arts-driven experiences, with striking murals and life-sized art installations providing a dynamic backdrop for filmmakers.

“Congratulations to metrobar! As the Director of OCTFME, I am delighted to celebrate your achievements and excited to see the many stories that will unfold within your remarkable venue,” says Director LaToya Foster.

Conveniently located on the Metro Red Line, just steps from the Rhode Island Ave-Brentwood Metro station, metrobar offers easy accessibility and ample parking, making it an ideal filming destination. The venue’s DC-centric menu, cultural programming, and dedication to local artists further enhance its creative appeal.

“We are honored to have metrobar featured and are excited to showcase our redesigned Metro railcar and DC-centric programming,” says Co-Owner John Groth.

Whether capturing intimate scenes or bold urban visuals, metrobar offers an authentic D.C. setting that inspires creativity and collaboration.
