**Beyond Studios Receives February 2017 Location of the Month
Distinction**

*Multi-use creative space and recording studio facility provides a great
location for media production and sound recording*

Washington, DC – The Office of Cable Television, Film, Music and Entertainment (OCTFME) recognizes Beyond Studios as the February 2017 Location of the Month.

[Beyond Studios](#) is a multi-level private use facility for creative professionals offering a professional daylight photography and video production studio. Located downtown Washington, DC in the Shaw neighborhood, Beyond Studios also houses a state-of-the-art music recording and production studio. The video/photo studio is 800 square feet with high ceilings, exposed brick, and two skylights for premium daylight atmospherics.

Beyond Studio's recording studio is dedicated to facilitating the creative fusion of classic analog with today's advanced digital technologies. The pairing of classic recording technology with newer innovations provides the studio the ability to capture the highest quality audio on the cutting edge of today's rapidly changing industry.

In addition to providing creative studio space, the dynamic team of in-house filmmakers, photographers, designers, and audio engineers are available to support both in-house and on-location media production. The Beyond Studios' team can assist with everything from conceptual development, art direction, and equipment consultations all the way through final execution.

Some of the world's most prominent artists as well as local District talent

have utilized Beyond Studios' inter-disciplinary spaces, including Mary J. Blige, Usher, Robert Glasper, Wale, Flo-Rida, Yo Gotti, A-Trak, and Iron & Wine. Additionally, media and non-profit organizations like Netflix, ABC Networks, and UNICEF have produced content at the facility.

An on-site facility manager is available to answer any questions about the space, its features, and any usage restrictions.

To learn more about the Beyond Studios and to view photos of the location, please visit the [Location of the Month](#) page on the OCTFME website. If you are interested in using Beyond Studios as a filming location, please contact us at film@dc.gov.

###

The “Location of the Month” initiative is part of OCTFME’s mission to market and support District locales as media production locations, and to bring attention to the wide range of cinematically compelling locations that are available to film and television productions.

Do you have a business or location you would like to have featured as OCTFME’s “Location of the Month”? If so, please forward your inquiry to film@dc.gov.
